

CS 380: Assignment 4

Fall 2006

Written Due before class on 2006-12-08

From R&N Chapter 11: Exercises 11.2, 11.5, 11.6

EXTRA CREDIT: 11.7

Please show all work; your answers may be brief but should always be concise.

“Programming” Also due before class on 2006-12-08

From R&N Chapter 11: Exercise 11.11

You may either formulate the problem by hand or you may use any planner of your choice (*e.g.* Shop, JShop, *et cetera*). If you choose the latter, you must submit all of your code and a **README** explaining how to run your code. If you use an external tool like JShop, you must also include instructions on where to download your chosen tool and how to interface it with your code.
